MAINTENANCE | Lubricants and disinfectants

KOOL LUBE® SPRAY

76300-101-005

Oster® Kool Lube® 3 is an especially formulated lubricant to provide instant cooling, lubrication and cleaning for clipper blades. It reduces friction and heat for less blade wear-and-tear for a more comfortable experience.

- Non-Ozone Depleting, no CFC's or HCFC's
- Nonflammable Non-conductive to 29,000 Volts
- Fast drying

DISINFECTANT SPRAY

76300-102-005

Oster® Spray Disinfectant deodorizes surfaces and kills most Staph and Strep organisms, Pseudomonas aeruginosa and Trichophyton mentagrophytes (athletes foot fungus) on hard surfaces.

- For use in hospitals, salons and households
- Kills most germs and bacteria
- Eliminates odors
- Prevents mold and mildew
- Clean scent

BLADE WASH CLEANER

76300-103-005

For blade care and maintenance, Blade Wash cleans and lubricates for smooth operation.

- Removes factory applied preservatives from new blades
- Provides lubrication for clipper blades
- Available in a 16 oz size

BLADE LUBE

76300-104-005

Oster® Blade Lube™ premium lubricating oil for clippers and blades

5 IN 1 DISINFECTANT SPRAY®

76300-107-005

Oster® 5 in 1 spray® acts as a virucide, bactericide and fungicide while cooling, lubricating, disinfecting and providing protection against rust.

- While the clipper is running, hold can about 6 inches away from blade and spray the underside and topside of the blade before each cut while clipper head is pointing downward.
- Ideal application time is anytime the clipper blade feels warm.
- To prevent heat build up, spray the clipper blade with 5 in 1 Spray® when changing comb attachments from one size to the next.
- Can be used with any clipper or trimmer.
- When using a detachable blade clipper, spray each blade used during the cut.
- Disinfects, instantly cools the blade
- Gives light lubrication allowing the blade to run cooler and stay sharp longer

MINI TRIMMER

THE ACE MINI TRIMMER

2143876 - 120V

The steel T-blade cuts all types of hair with precision, including thick, fine, tangled, wet or dry hair, and can leave gaps without separation for more defined lines. These Oster razors feature a lightweight, compact design to reduce hand and wrist fatigue during daily use.

- **Extra-long cord:** Trim hard-to-reach places with the extra-long 8-foot power cord.
- **Blade guard, oil, cleaning brush and T-blade.**
